The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

However, the non-party commenter will not receive copies of all documents filed by other parties or issued by the Commission and will not have the right to seek court review of the Commission's final order.
